

ME1001 – Engineering Drawing Lab

Quiz#2

Roll #:

Section: BEE-1B1

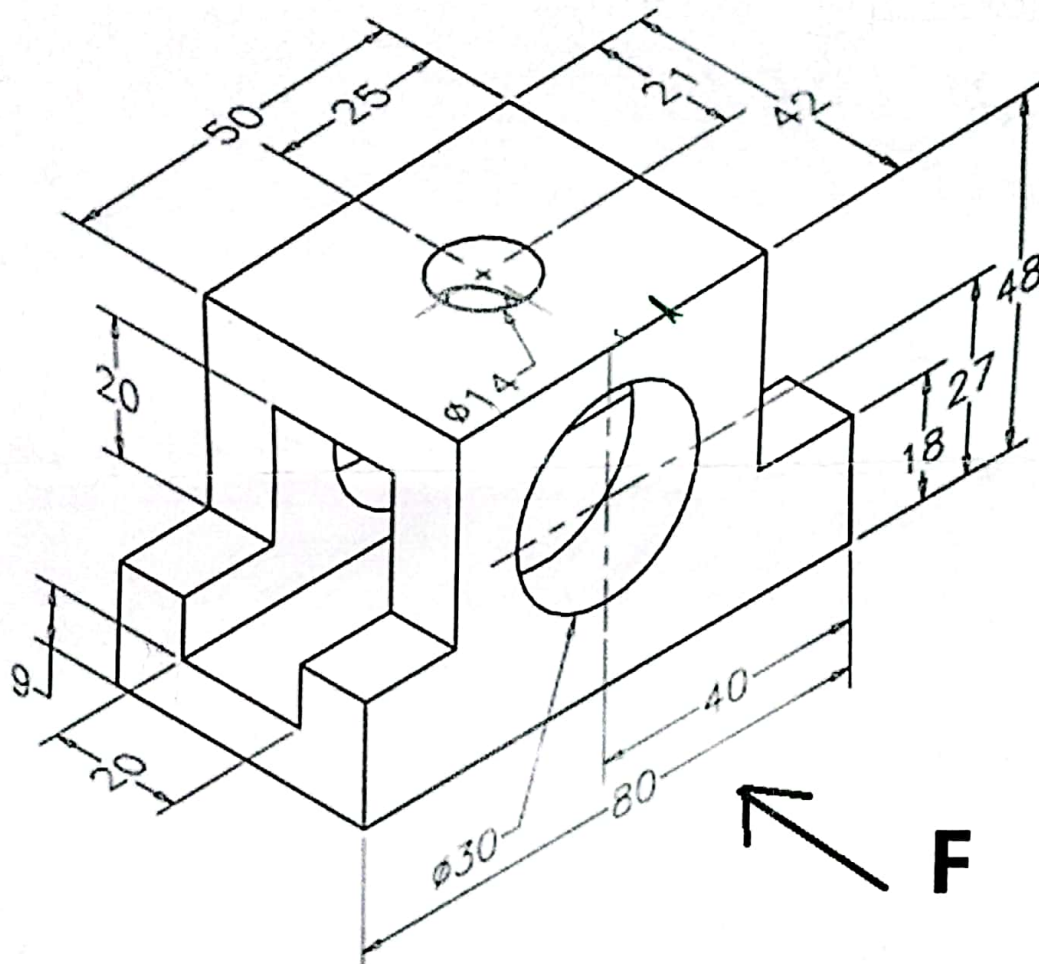

Date: 1-Nov-2023

Time allowed: 45 mins

Total Marks: 30

Question:

In AutoCAD, draw the cutting plane line view and the sectional view of the object shown below. Follow the proper line alphabet (line type). Plan the sheet according to third angle orthographic projection.

Note: The views should be drawn at the centre of the A4 size page provided to you. Your roll number and section should be written inside a title block at the bottom right corner of the page with 15mm height and 100mm width (Title block size). The border should be drawn 6mm from both all sides.
