

ME102 – Engineering Drawing Lab
Quiz # 3

Roll #: _____
Section: EL-2A
Date: 13-April-16

Time allowed: 30 mins
Total Marks: 30

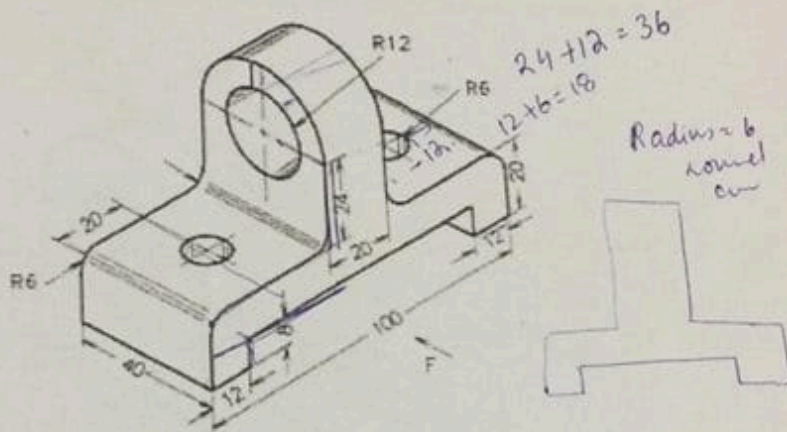

Instructions:

Save the drawing file according to your roll number e.g. 'L15_1234_Quiz3.dwg'.

Submission Path: \\sandata\Xeon\Spring2016\Engineering Drawing Lab\EL-2A\Quiz#3

Question:

Draw the **Front view** of the object shown below in **AutoCAD**. Take the arrow mark with **F** as the direction for front view. Follow the proper line alphabet (line weight, line type and line color as instructed in lab).

Note: Properly plan the A4 size sheet (297mm x 210mm) for single view. Your roll number and section should be written inside a title block as shown below, located at the bottom right corner of the page.
